INSIDEMARVIGOAL

ABOUT US

To shape the future of education by building a transformative learning ecosystem where students thrive, educators are empowered, schools excel, and families are equipped to support lifelong success.

VISION STATEMENT

To shape the future of education by empowering learners, educators, and schools to grow, lead, and succeed.

MISSION STATEMENT

MarviGoal is committed to advancing education through academic support, professional development, and innovative learning programs that promote growth, excellence, and meaningful impact.

We empower students through academic and personal development, support teachers through continuous professional growth, strengthen schools through strategic educational consultancy, and provide accessible learning opportunities that promote excellence, confidence, creativity, and future readiness.

OUR POLICY

At MarviGoal, we uphold integrity, transparency, professionalism, and excellence in all our services while creating meaningful learning opportunities for students, educators, parents, and schools.

(Founder/Director)

Our Goal and Services

Supporting students through academic enrichment programs and private tutorial services to enhance learning both in and outside the classroom.

Empowering educators through continuous professional development and support systems to elevate teaching practice and professional identity.

Supporting schools to improve educational quality, teacher effectiveness, and curriculum delivery

Providing a range of specialized courses to support personal, academic, and professional growth

APRIL RECAP

April was an exciting month for MarviGoal as we celebrated student excellence, expanded our teaching capacity across key subject areas, delivered impactful professional development sessions, and officially launched our Study Program with the April Cohort.

It was a month that reflected meaningful progress across multiple parts of our vision. From classroom learning and teacher development to school partnerships and student engagement, each milestone contributed to strengthening the foundation of what MarviGoal is building.

As we move on, we gladly want to announce that our May Study Program has been launched while the upcoming June cohort is in the process of continued program expansion.

We have also launched our private tutorial services as parents can now book seasoned private tutors through our platform. We remain dedicated to delivering quality result-driven focused services with integrity and passion.

This month has set a strong tone for what is ahead.

STUDY PROGRAM HIGHLIGHTS

April, 2026 Cohort

Our Debut Cohort

Marvigoal is pleased to celebrate the launch of our study program with April marking our debut cohort. We see the result of the vision and the impact of the program on our students which gives us the motivation to push further. Our motto is to promote value and enhance growth in every sector of education and launching our study program has being a big step towards this goal. We celebrate our pioneer students and look forward to impacting more as we proceed to future cohorts.

Looking Ahead

Registration for future cohorts are available on our website and social media pages. Early registration for future cohort are accepted and allows us to prioritize your application for early placement into our program. Contact us via email or WhatsApp if you have questions or need support with registration. We respond within 24 hours of contact. See our contact information below: [↓](#)

Phone (WhatsApp only) +2348125785527

Email (info@marvigoal.com)

Study Goal for our Students

Our goal is to build self-motivated students who understand the discipline and template for result driven outcomes through structured study sessions that develop focus, zeal, and passion for success. Our expected outcome is to see that every student who goes through our program comes out refined and ready to face the world with an intrinsic skill for discipline and a healthy hunger for result-driven success.

All Sessions are facilitated Virtually on Zoom

TEACHER SPOTLIGHT

Meet our teacher of the month. We celebrate your passion and dedication towards serving our students with excellence.

April Cohort

SHINING A LIGHT ON SERVICE

- **Please Introduce yourself**

My name is Alex Odinaka Chukwuani, an educator and tech enthusiast with over seven years of experience in teaching, leadership, and student development. I am passionate about creating positive learning environments and helping students grow academically and personally.

- **What subjects/classes do you teach?**

I teach Biology, Chemistry, Pre-Vocational Studies, Basic sciences and Technology, and ICT.
For junior and senior Secondary.

- **What inspired you to become a teacher?**

My passion for guiding young people and helping them discover their potential inspired me to become a teacher. I enjoy making learning meaningful and impactful.

- **What do you enjoy most about teaching?**

I enjoy seeing students gain confidence, improve their understanding, and apply what they learn to real-life situations.

- **How would you describe your teaching style?**

My teaching style is interactive, student-centered, and practical. I aim to make lessons engaging, relatable, and easy to understand.

- **What motivates you each day?**

The opportunity to positively influence students' lives and contribute to their future motivates me every day.

- **What lesson or value do you hope students remember from your class?**

I hope my students remember the importance of discipline, consistency, and believing in their ability to succeed.

- **What hobbies or interests do you enjoy outside the classroom?**

Outside the classroom, I enjoy web development, watching football, continuous learning, and teamwork-based projects.

- **Do you have a favorite quote or personal motto?**

"Success comes from consistency, growth, and the willingness to keep learning."

Alex Odinakachi Chukwuani

*Stay tuned for our **Summer Program Guide**, featuring seasonal service projects, new classes, and opportunities for involvement during the holidays.*

STUDENT SPOTLIGHT

Meet our Spotlight student of the Month and the recipient of our STAR STUDENT AWARD! We celebrate you today and appreciate your dedication and focus throughout our April program.

April Cohort

SHINING A LIGHT ON LEARNING

- Please introduce yourself.
My name is Miss Ibekwe Michelle Chikamso. I'm in SS 2

- What do you enjoy most about the program?
I enjoy the interactive and educative activities of the program.

- How has the program helped you academically or personally?

The program has helped me academically to improve in my studies by exploring various study methods and developing my private notes.

- What subject or activity do you enjoy most?

The subject I enjoy most is Economics.

- What motivates you to keep learning and improving?

My ambition in life and my mum's faith in me motivates me to keep learning and improving.

- What are your future goals or dreams?

My future goals as a student are to enhance my study habits, master my core subjects and manage my time very well. I thank God for the organizer of this program and the teachers.

- What advice would you give to other students?

My advice to other students is to take the program very seriously because it will support their learning, improve their performance in their exams very well, and support their overall progress in life.

*Stay tuned for our **summer Program Guide**, featuring seasonal service projects, new classes, and opportunities for involvement during the holidays.*

PD SESSION WITH ROSEVILLE SCHOOL

ROSEVILLE SCHOOL

A look at our latest Professional Development Session with Roseville School

Roseville School Principal, Mrs. Ijeoma Amu, before our PD Session.

ROSEVILLE SCHOOL TEACHERS AFTER A SUCCESSFUL PROFESSIONAL DEVELOPMENT SESSION

Training Roseville teachers was an amazing experience and we are pleased to share some of it with you. Our company remains dedicated to transforming the educational space through multiple growth opportunities. Would you like to key into this service? Reach out by **calling/texting +2348525785527 (WhatsApp Only) or email info@marvigoal.com** to book a professional development session for your school today.

SUCCESS STORY

REACHING OUR GOAL, TRANSFORMING SCHOOLS

We are thrilled to announce that we had a productive Professional Development session with Roseville Secondary School on the 24th of April, 2026. Our teacher training focused on **Teaching Methodologies that Move Learning From Theory to Practice**. This was an amazing Hybrid Session with the MarviGoal Program Team facilitating both virtually and physically. Teachers were provided with workshop materials for practical implementation of strategies explored. At the end of the session, all participants were awarded certificates of completion. It was an amazing session and we are glad to share the success of it with you.

PROFESSIONAL DEVELOPMENT SERVICES

PD CORNER

Inside Our PD program

We support schools through virtual and blended Professional Development Classes to train teachers and enhance professional delivery.

Virtual PD Sessions

Our virtual Professional development sessions are designed to offer flexibility and value while utilizing implementation strategies to ensure result-driven outcomes. We build your team of educators to develop the ethics and expertise required to stand out. For virtual PD sessions,

HYBRID/BLENDED PD SESSIONS

We are thrilled to announce that our "Kitchens for the Community" campaign has officially reached its \$25,000 goal! Because of your generosity, the Riverton Community Center can now serve an additional 100 hot meals each week to families in need.

This milestone is more than a number—it's the promise of full plates and brighter days for countless children and adults. Thank you for believing in this vision and showing what's possible when we work together.

TESTIMONIALS

WHAT STUDENTS AND PARENTS SAY ABOUT OUR INTENSIVE PROGRAM

Ibekwe Adaobi

PARENT AT MARVIGOAL INTENSIVE STUDY PROGRAM

Thanks to Marvigoal Intensive Study Program for Michelle Assumpta award. I appreciate so much. The Program is very good. Please, keep it up.

Chimdalu Obi

STUDENT AT MARVIGOAL INTENSIVE STUDY PROGRAM

MarviGoal has improved my reading habit a lot. Before, I couldn't read past one hour but now, I can read past three hours. I also love that teachers support our reading process.

Otunneka Jennifer

STUDENT AT MARVIGOAL INTENSIVE STUDY PROGRAM

MarviGoal Intensive Study program has made me more focused in reading for longer hours. I never used to read for more than 30 minutes but now I have been reading for 3 hours every Saturday. Thank you MarviGoal!

TESTIMONIALS

WHAT TEACHTRS SAY ABOUT OUR PROFESSIONAL DEVELOPMENT PROGRAM

Obiora Isioma

TEACHER AT ROSEVILLE SCHOOL

The training has given me a different view of teaching. I now understand the need to connect all the aspects of English to real life.

Nwadike Cynthia

TEACHER AT ROSEVILLE SCHOOL

MarviGoal has broadened my horizon regarding certain teaching aspects that I overlooked which is actually is the “big man” that makes teaching fun. Rather than over burdening the students with most related topics that are broken down into different weeks, I can relate all topics and teach in a way that they build off eachother, thereby using the other weeks to enforce more student-centered and real world practices. I am so glad I attended this and every 21century teacher who hasn't gotten this knowledge is lagging behind and needs to catch up quick.

Arinze Ogechukwu

TEACHER AT ROSEVILLE SCHOOL

The training was effective due to the clear explanation of the concepts, and it is highly valuable for classroom learning.

Why Choose our services?

Every child deserves the chance to succeed. Every parent deserves peace of mind. Every school deserves the support to stand out and truly makes a difference.

At MaviGoal, we know the challenges many families and schools face:

- Students losing confidence academically
- Parents struggling to find reliable educational support
- Teachers carrying overwhelming responsibilities
- Schools searching for meaningful academic improvement and engagement

That is where we come in.

Why Partner with Us?

Be a part of something meaningful. Something that restores hope in the school system worldwide. Revive the true value of education and watch students grow in confidence, character, and academic success.

At MaviGoal, we partner with schools, educators, and communities to close learning gaps, support teachers, and strengthen student outcomes. We don't just offer programs. We help rebuild learning environments where students are supported, engaged, and able to thrive. If you are looking to make a lasting impact in education, we are ready to build that change with you.
